Learn About AWS Pricing

With AWS, you pay only for the individual services you need for as long as you use them without requiring long-term contracts or complex licensing

AWS Free Tier

AWS Free Tier includes offers that are always free, offers that expire 12 months following sign up, and short-term free trial offers

AWS Pricing Calculator

Enter valid email ID and account name

The screenshot shows the AWS Free Tier landing page. At the top, there's a navigation bar with links for Products, Solutions, Pricing, Documentation, Learn, Partner Network, and AWS Marketplace. Below that is a secondary navigation bar with links for AWS Free Tier (which is highlighted), Overview, FAQs, and Terms and Conditions. The main content area features a large "AWS Free Tier" heading. Below it, a sub-headline reads "Gain free, hands-on experience with the AWS platform, plus services". A blue "Learn more about AWS Free Tier" button with a help icon is present. At the bottom is an orange "Create a Free Account" button.
